## Develop college aspirations and admissions awareness.

**Kaplan Aspire**, designed for first-generation college applicants, guides your students through the college admission process by helping them explore the value of college, navigate the application and financial aid process, and pursue post-secondary and career goals.

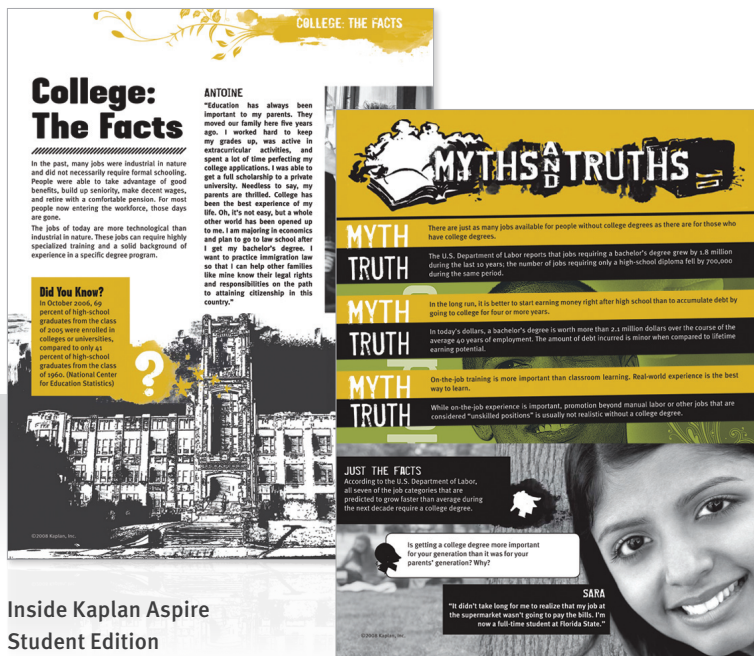

- ▶ Your students gain an awareness of the college admissions process, including how it impacts career goals, what they need to do for financial aid, and how they complete an application.
- ▶ 4 respective course materials, including the supplementary book, *From Here to Freshman Year*, which gives tips on how to become a standout application, make student learning relevant and engaging.
- ▶ Teachers can quickly acquire expert Kaplan tips and strategies to help students with the college admissions process.
- ▶ Home connection activities allow you to connect family members to the college application process to diagnose students' needs, regularly monitor performance, and measure improvement.
