## Develop core content needed for ACT and SAT success.

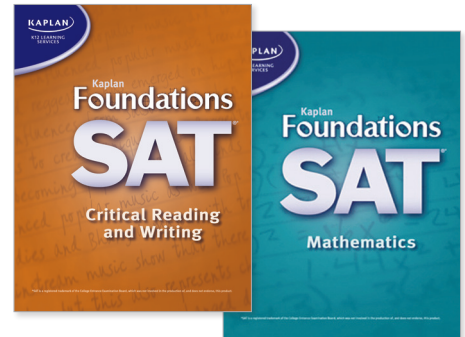

**Kaplan Foundations: ACT or SAT** helps students, particularly those performing below grade level, deepen their knowledge of the key content tested on the ACT or SAT.

- ▶ Modular lessons aligned to ACT or SAT content give teachers flexibility to review all content or target specific topics based on student needs.
- ▶ Skill-based lessons support students in acquiring the discrete content knowledge they need to perform their best.
- ▶ The robust Teacher’s Edition includes guidance for lesson introduction, direct and guided instruction, and performance analysis.
- ▶ Various activities and formative assessments allow teachers to assess the skills acquired in each lesson.

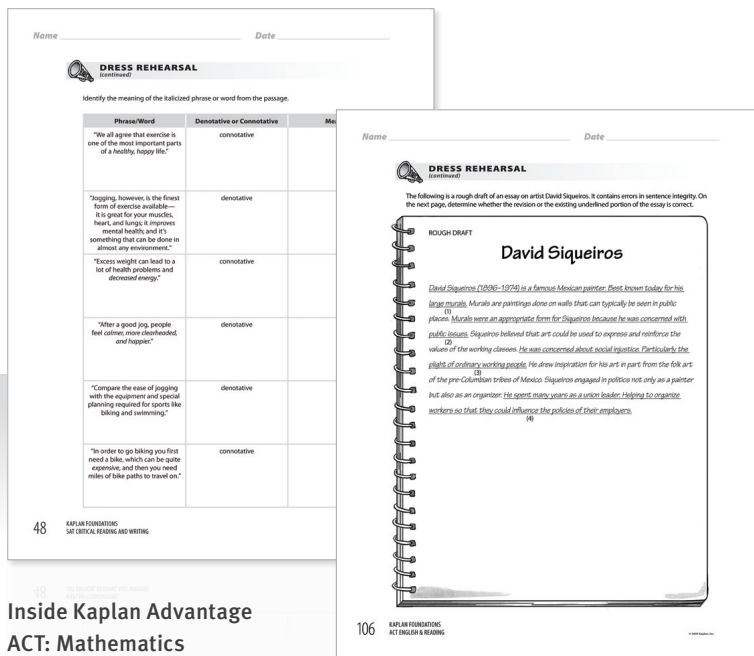

Content that allows teachers to assist below-grade-level students with skills mastery
