

Kaplan Advantage™ : WorkKeys

GRADES: 11-12

SUBJECTS: Reading for Information, Applied Mathematics

PROGRAM LENGTH: Up to 16 hours

ELIGIBLE FUNDING: Title I, SIG, RTTT, i3, RTI, Promise Neighborhoods, 21st CCLC, GEAR UP, TRIO

Kaplan Advantage: WorkKeys provides targeted review of the key content and strategies needed to succeed on each subject of the WorkKeys. This program is available separately, or included in Kaplan's PSAE or MME solutions.

- ▶ Through systematic and strategic-thinking strategies for each WorkKeys question type, your students can build the critical-thinking skills they need for WorkKeys.
- ▶ Students benefit from lessons that help bridge the gap between content knowledge and performance on the WorkKeys.
- ▶ You can effectively support students using robust teacher notes for each lesson that include answer-explanations and wrong-answer analysis.
- ▶ Using assessments in the idiom of the WorkKeys, you can diagnose student needs, regularly monitor performance, and measure improvement.
