

Kaplan Test Companion: New York State Test

GRADES: 3-8 SUBJECTS: English-Language Arts, Mathematics PROGRAM LENGTH: Up to 10 hours

ELIGIBLE FUNDING: Title I, SIG, RTTT, i3, RTI, Promise Neighborhoods, 21st CCLC, GEAR UP, TRIO

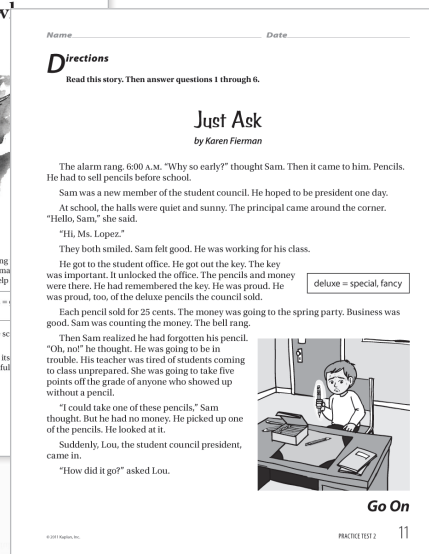

Empower students to show what they know in the format of the New York State Test.

Kaplan Test Companion: New York State Test helps students practice demonstrating what they know in the format of the state test and is an ideal companion to Kaplan's other New York State Test offerings.

- ▶ Teachers can measure student acquisition of specific standards to determine if they need to re-teach or review a concept.
- ▶ Students can practice applying their knowledge of rigorous New York State Standards in the format of the current New York State Test.
- ▶ Standards alignments and robust answer keys and explanations in the Teacher's Edition help teachers identify student needs based on results.
- ▶ Sixteen 30-minute quizzes and one full-length practice test allow you to assess student learning and use the data to drive instructional decisions.
