Adaptive, online prep that leverages innovative learning technology.

On Demand courses for the SAT, PSAT and ACT deliver Web-based, adaptive instruction based on individual learning needs to help students successfully prepare for college entrance exams.

- ▶ The programs provide 24/7 access to self-paced, online prep, delivered via Kaplan's cutting-edge, Smart Track® technology that personalizes the curriculum based on each student's performance.
- ▶ Data-driven, dynamic online lessons with videos and multimedia activities scaffold student learning with direct instruction, guided practice, and independent application of skills.
- ▶ Kaplan's 70+ year test prep expertise helps your students target their studying based on the most tested skills (SmartPoints™), activities in each lesson, and the results of two full-length practice tests with automated multiple-choice and essay grading.
- ▶ **NEW!** SmartReports™ turn scores into customized study plans that help your students maximize their scores; an online reporting tool empowers educators to view aggregate and individual performance, progress, and usage data.

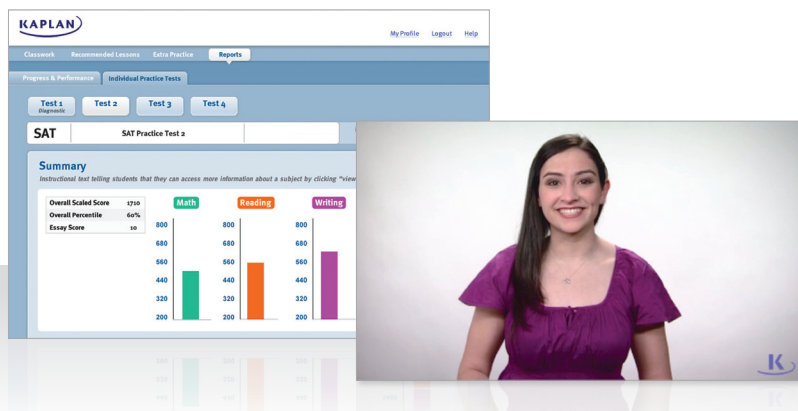

NEW! Powerful performance, progress, and usage reports for administrators and teachers

NEW! An innovative Honors & Extras component that engages and motivates students

Robust individual reports for students and families

Cutting-edge technology that scaffolds learning and differentiates instruction to meet individual student needs
