

A Reader's Workshop Approach to Test Readiness

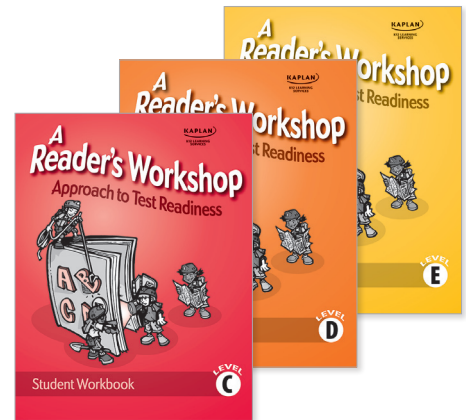

GRADES: 3-5 SUBJECT: Reading PROGRAM LENGTH: Up to 12 hours

ELIGIBLE FUNDING: Title I, SIG, RTTT, i3, RTI, Promise Neighborhoods, 21st CCLC

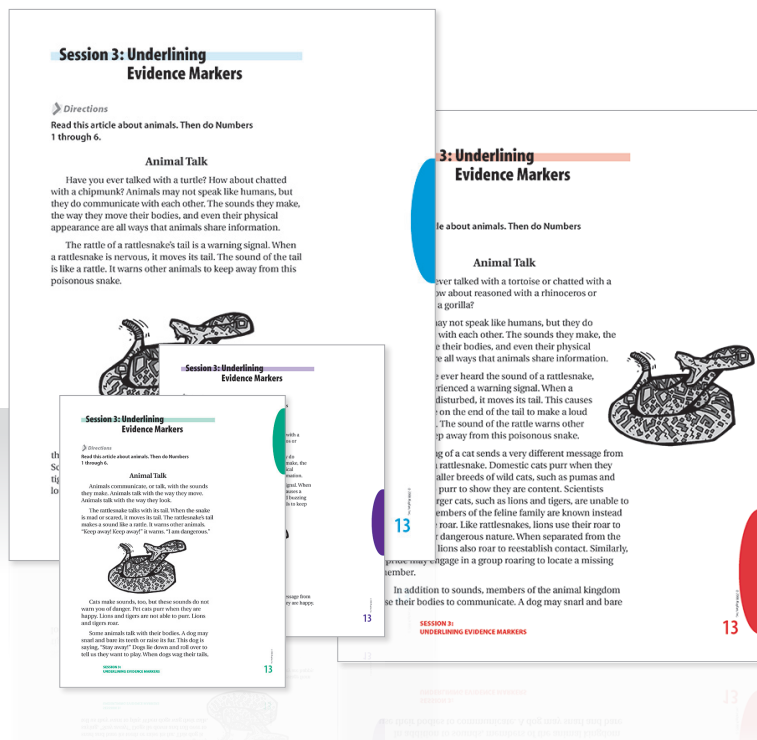

Use leveled text to help your elementary students prepare for test success.

A Reader's Workshop Approach to Test Readiness uses leveled text to give elementary students the effective reading strategies they need for standardized test success.

- ▶ Each lesson develops student test-taking strategies through systematic approaches to learning.
- ▶ Four leveled passages in each lesson (below, approaching, at, and above test level) allow educators to differentiate instruction based on students' independent reading levels.
- ▶ Robust notes in the Teacher's Edition enable educators to implement research-based instructional practices and adapt them to meet classroom needs.
- ▶ Formative assessments and a practice test monitor student progress and measure success.
